

# SHAFEEQ S

*Aspiring Cybersecurity Professional*

**Phone:** [9600793923](tel:9600793923) | **Email:** [shafeeq.connect@gmail.com](mailto:shafeeq.connect@gmail.com) | **LinkedIn:** [linkedin.com/in/shafeeq-cybersec](https://www.linkedin.com/in/shafeeq-cybersec)

## PROFESSIONAL SUMMARY

Cybersecurity student with hands-on SOC investigation and malware analysis experience. Skilled in threat detection, log analysis, and incident response. Passionate about identifying real-world attacks and improving security posture.

## TECHNICAL SKILLS

Cybersecurity: SOC Operations, Threat Detection, Incident Response, Log Analysis, SIEM

Tools: LetsDefend, Wireshark, Splunk (Basic), Procmon, RegShot, Fiddler

Programming: C++ , Python, Java

Other: Networking Fundamentals, Linux Basics

## CYBERSECURITY EXPERIENCE

### SOC Investigations & Malware Analysis – LetsDefend

- Investigated 4+ real-world SOC incidents (phishing, malware, brute force)
- Analyzed 100+ log events including Windows Event Logs (4625,4624) to detect and investigate brute force attacks
- Performed log correlation across endpoint and network data to validate alerts
- Identified true vs false positives, improving alert accuracy
- Executed incident response actions (host isolation, IP blocking, credential reset)
- Conducted dynamic malware analysis, identifying persistence,C2 Communication, and data exfiltration
- **Tools & Technologies:** Wireshark, ProcessHacker,Fiddler, Procmon, RegShot, Splunk (Basic)

## PROFESSIONAL EXPERIENCE

### Cybersecurity Intern - TANSAM (Govt. of Tamil Nadu) | 03/2024 - 04/2024

- Conducted OSINT reconnaissance
- Practiced steganography using Kali Linux
- Explored IoT vulnerabilities and mitigation
- Studied NIST & ISO security frameworks
- Gained knowledge in network security & incident response

## EDUCATION

### B.Tech – Computer Science and Business Systems

*Panimalar Engineering College* | 2024 - 2028 | CGPA: 8.17/10

**HSE +2 – Velammal School** | 2024 | 76.17%

**SSLC – Sir Issac Newton School** | 2022 | 86.6%

## CERTIFICATIONS & ACHIEVEMENTS

- Google Cybersecurity Certificate
- Cisco Networking Fundamentals
- Completed LetsDefend SOC Analyst path
- Awarded Certificate of Excellence - TANSAM Internship
- 1st Place Rhetoric Rumble Debate Competition, RMD Engineering College

## KEY STRENGTHS

- SOC Analysis
- Analytical Thinking
- Teamwork
